

ROAD SAFETY SURVEY

Ashurst Wood Village Council is frequently contacted by residents about road safety in the village.

Previous surveys for the Village Action Plan and the Neighbourhood Plan have highlighted several areas of concern and the purpose of this survey is to ascertain whether residents would support the following highways improvements:

- traffic lights at the junction of Hammerwood Road and the A22 Lewes Road
- a 20mph speed limit in the village

More information about 20mph schemes can be found at www.20splenty.org

Highways improvement schemes are the responsibility of West Sussex County Council (WSCC) and are subject to funding being available. This can come from payments made by developers of new housing (known as section 106 contributions) or under the Community Highway Scheme. The Village Council can put forward proposals, but the final decision rests with WSCC. For a proposal to be accepted it is necessary to demonstrate community support.

Please complete the short survey form overleaf. Further copies can be obtained from the Clerk and will also be available on the website (www.ashurstwood-vc.gov.uk).

Please return completed forms to:

Rebecca Roberts, Clerk
Ashurst Wood Village Council
20-22 Maypole Road
Ashurst Wood RH19 3QN

Or scan and email them to clerk@ashurstwood-vc.gov.uk

You can also send an email setting out your answers.

If you need help with a form, you can phone the office on **01342 823770** during opening hours and one of the staff will complete a form for you.

YOUR NAME AND ADDRESS IS REQUESTED TO ENSURE THAT INDIVIDUALS DO NOT SEND MULTIPLE RESPONSES, BUT YOUR PERSONAL INFORMATION WILL NOT BE RECORDED AND COMPLETED FORMS WILL BE DESTROYED ONCE ANSWERS ARE LOGGED

ROAD SAFETY SURVEY

Your Name and Address including postcode: _____
